FRISCO OFFICIALS

MASTY TRIP WITH OFFICE OF BROWNSVILLE ROAD.

stopped at Brownsville, Mission and Mercedes to Get a Line on Condition of Truck Crops, ...id Managing Director Perkins.

Sunday morning about 11.30 a special train consisting of two prijate cars one belonging to the Frisco end the other number 200 of the St. # B. & M. arrived at the passenger gation. On board were Thos. H. West, chairman of the St. Louis. Daion Trust Company, Messrs. Solomon, Clement and Dubion who are punected with the Frisco system, Janaging Director Albert T. Perkins, General Trac Manager Wm. Joherty and Assistant Superintendent C. J. sarimer of the local road.

The party ran up the branch line party in the morning stopping two -Jours at Mission and a short time If Mercedes. At Mission they were : Abown around in automobiles.

On arrival here, they made a hursed trip to the bridge site visited the Miller Hotel, where they laid in 1 generous supply of cigars and frawn work, and then returned to heir cars which immediately were

Mr. Perkins said that the trip was simply one of investigation for the risiting officials, who wished to get alimpse of the country and a line on the amount of truck that would se moving out of the Valley in the sext few months.

QUAEN TITANIA AND HER COURT ENCHANTED BROWNSVILLE

Butterfly Carnival Given By Miss Mc-Davitt's Court Was a Delight to the Mortal Eyes that Were Privileged to Witness It.

Fiary land's fanciful little people were transplanted to the stage of the as, Scurry county; in Oklahoma, wages, amounting to from 5 per cent. Celford Theater last Friday night and there made visible to a goodly num-Greer county west of the Kansas 3rd. The agreement between the ber of mortals, who really, you know, the elfin folks are disporting themselves. But these mortals were very good and well behaved, much better, one might say, if of a critical mind, than that vengeful moth, the miller, for instance, who would have bitten and slain the beautiful Airle and her attendant butterflies had not Puck prevented and, besides, the mortals had a certain right to be there for (promise not to tell any one?) the fairies were not really truly fairies at all but just the little flesh and blood, sons and daughters of proud papas and mamas, who sat out in front, and enjoyed the playing of the make believe spirits. But, so faithfully was the atmosphere of childhood story book land reproduced, that one might easily be forgiven for harking back in thought to the light heated days when nothing was real but those delightful creatures of the Titania, Queen of all little folks who would abunting go, and Puck the merry jester, and fairles and beauteous butterflies and the fearsome ogre aptly named Uglio, and the misscribed himself, when wives are sharp and husbands wary a little sport is was mighty serious, for of what use

shared by Miss Stella Florence Bestelro in the character of Airie, Franci Armstrong as Pirck and Lambert Cain as Both, the miller. The surprising thing was that all the parts were ved so well and that the children some quite long, and repeat them with hardly a break. The costuming was exceedingly good, especially of the butterfly queen and her attendants. All the children who ook part deserve commendation for he unaffected, natural way in which they acted, after the first few moments of stage fright had passed and he success of the production reflects great credit upon Miss McDa-

Following the fatry extravaganza, the Misses Mildred Lastinger and Rowena Bull portrayed in pantonime the story of "The Peri," while Miss McDavitt, standing behind the scenes, recited Moore's verses. The posing was exceedingly well done, the fair Columbines faithfully depicting the story of the beautiful lines effectively delivered by Miss

Miss caverne Morris and Prof. Viano played the accomagniments for the songs in the extravaganza and played a violin solo accompanied on the piano by Miss Morris.

For Sale or Exchange

All or any part of 180 acres of vineyard in the best grape section in California, near Lodi, and only 100 miles from San Francisco. Both steam and electric rallroads. Over 40,000 acres of vineyard in the country, and among beautiful homes and splendid schools.

My reasons for wanting to exchange this fine property for land in this valley is that I have, after three years' trial, decided to make my permanent home here, and wish to get my holdings closer together. If you are interested call and see me at Harlingen, Texas.
